TOTI PUTRA PRATAMA

Project Engineer & Technical Support | Telecommunications Infrastructure

Kudus, Central Java • Totiputra08@gmail.com • +62 898-5903-141 • linkedin.com/in/toti-putra-669490249

PROFESSIONAL SUMMARY

Results-driven Project Engineer and Technical Support professional with 4+ years of experience in telecommunications infrastructure. Proven track record managing Telkomsel projects worth up to IDR 40 billion, achieving up to 30% cost efficiency while delivering 85% of projects ahead of schedule. Skilled in BTS administration, Huawei iMAE integration, network monitoring, and data-driven decision making using Power BI, Python, and MySQL. Proficient in workflow automation with N8N and Power Automate to optimize operational processes.

PROFESSIONAL EXPERIENCE

Technical Support – Radio Access Assurance

PT Telekomunikasi Selular (Telkomsel) *February 2025 – Present*

- Manage systematic inbound and outbound BTS material processes to ensure device availability aligned with project requirements.
- Execute end-to-end project administration including documentation, reporting, and coordination with field teams.
- Create and manage Change Requests (CRQ) for network maintenance and Telkomsel network upgrade needs.
- Monitor SPMS (Site Project Management System) to ensure project implementation progress meets targets.
- Support Huawei iMAE BTS integration processes from technical preparation through commissioning and network verification.
- Develop real-time Power BI dashboards for project monitoring, enabling data-driven management decision-making.

Project Engineer – ATP Jabotabek INNER

PT Infrastruktur Telekomunikasi Indonesia (TELKOMINFRA) *May 2023 – July 2024*

- Managed project budgets of up to IDR 40 billion, achieving up to 30% cost efficiency through strategic resource allocation.
- Led Telkomsel projects from planning through execution to on-time, on-budget completion across multiple programs.
- Supervised operational teams in implementing Telkomsel Blacksite Batch #1, #2, #3, Re-engineering, and other programs.
- Optimized administration workflows and KPI monitoring, significantly improving overall project management effectiveness.
- Delivered projects at an average of 85% faster than set targets, consistently exceeding performance benchmarks.

ATP Coordinator – Jabotabek INNER & OUTER

PT Infrastruktur Telekomunikasi Indonesia (TELKOMINFRA) *February 2023 – May 2023*

- Controlled eATP incom in accordance with Telkomsel asset standards, successfully increasing achievement rate by 70%.
- Compiled project reports and strategic recommendations to optimize Telkomsel network implementation in the Jabotabek region.

Document Control Officer

PT Radhika Patangga Jagadhita *2021 – 2022*

- Closed projects on schedule with documentation accuracy rate of 99%, ensuring full compliance with client standards.
- Managed Telkomsel project documentation including Blacksite Batch #1 & #2 and Re-engineering programs.

KEY ACHIEVEMENTS

- 🏆 Ranked #1 Leading Partner for Project Closure (November 2021)
- 💰 Achieved 30% cost efficiency on IDR 40B project portfolio
- 📈 Increased eATP achievement rate by 70% in Jabotabek region
- ⚡ Delivered projects on average 85% ahead of schedule
- 📄 Boosted documentation process efficiency by 80%
- 📊 Built real-time Power BI dashboards for executive decision-making

TECHNICAL SKILLS

Data & Analytics	Power BI, MySQL, Python, JavaScript
Automation & Tools	N8N, Power Automate, Google Workspace, SAP (Basic)
Telecom Systems	Huawei iMAE Integration, BTS Administration, SPMS, CRQ, eATP
Design & Engineering	AutoCAD, Microsoft Visio, Microsoft Office Suite (Advanced)
Project Management	Budget Management, Risk Assessment, Vendor & Contract Management
Languages	Bahasa Indonesia (Native), English (Intermediate)

EDUCATION

Bachelor of Informatics Engineering (Semester 8 – Ongoing)
Universitas Esa Unggul, Bekasi
